# ABOUT US

Since our launch in March 2015, DreamTeamBuilding has gone from strength to strength and is rapidly becoming one of the best team building companies.

Our sister company HireAPitch held over 500 events, from sports days to corporate events in 2016. In 2017 alone they held over 700 events.

We believe in providing a top quality service to all our customers at affordable rates.

***We aim to offer a variety of events suitable for everyone, guaranteed to leave a smile on your face and memories you won't forget!***

# ABOUT CRYSTAL MAZE

Are you looking for the ultimate team building challenge, well look no further. Our corporate Crystal Maze Challenge is here!

Based on the hit 90's show, our corporate Crystal Maze Challenge is the perfect event for your company. Our event will build your teams communication and problem-solving skills, and it is a great experience for everyone involved.

Our corporate Crystal Maze Challenge follows the same principle of the TV show with a corporate event twist.

Your team's objective is to collect as many crystals as possible. Your team must travel through the 4 zones; Strength, Skill Physical and Mental. While you travel through these zones your team will face several games.

Answer questions from our fortune teller, the mystical Esmeralda, or cross the snake infested swamp.

The only way to win as many crystals and solve all the puzzles is to work together as a team by communicating and listening to one another.

***Remember, the more crystals you win the longer your team will get inside the crystal dome!***

At the end of the event, the team with the most tickets will be declared the winner, and prizes will be awarded.

# THE AIM

The aim of Crystal Maze Challenge is simple:

***Get as many crystals as possible!***

# Mental

## **Tower of Hanoi**

Your team needs to rebuild this giant brain teaser. The Tower of Hanoi is a brightly coloured pyramid and is a massive 1.4m tall when using all the pieces. The aim of the puzzle is to move the tower one piece at a time from the start to the finish using as few moves as possible. Only one piece of the tower can be moved at one time. You cannot place a larger piece on top of a smaller piece. You must start at the start point and finish at the finish point. We start the puzzle by just using three pieces of the tower and add more pieces into the game to increase the difficulty level.

## **The Equation**

Your team will need to solve the equation to get the code to unlock the box containing a crystal.

## **The Fortunate Teller**

Our mystic Esmeralda will ask a member of your team 3 questions. The team member you pick, must get at least 1 question right to win a crystal for your team.

## **HeckMeck**

The aim of the game is to construct a HeckMeck in the shortest time possible. The first time around your team will have a guide to help you. Once you have assembled it you will take it apart and have to rebuild the HeckMeck, this time without the guide.

# Physical

## **The Assault Course**

Prepare to dash through the assault course as you race against another team to win the crystal. This will be a relay game whoever makes it to the end runs to the beginning and passes the baton to the next person.

## **String Ball**

Your team will be divided up into two sub teams. One team will put on blindfolds, and the second sub team will direct them. The 'blind' are given the task of carrying a ball balanced on a metal ring from one pedestal to another. However, they are not allowed to directly touch the ring! Instead, they transport it using a number of ropes attached to the ring. The ropes must be held at the ends and cannot be shortened.

## **The Spider's Web**

The aim of the task is for every member of your team to travel from one side of the spider's web to the other going through the different holes as quickly as possible. If any part of the body or clothes or hair touches the web your team will need to start again!

# Skill

## Toxic Waste

Your team must move the toxic waste lopped through a string, from one side to the other, and deposit in another container.

## The Dune Buggy

This activity will test your skill with a remote control dune buggy. A member of your team must drive the dune buggy through the rock maze and retrieve the crystal perched on top of the dune buggy.

## The Domino Effect

Your team will be given a pack of dominos where you will spend half an hour designing a display of dominos that must have all of the dominoes toppling over. Once your team has come up with your design you will build it. When you have built the display its time to knock it over.

# Mystery

## **Snake Swamp**

Your team must make your way across a snake swamp by building a bridge across using foam boards. Your team only have a certain number of boards for your bridge so you must work together to make your way across the snake infested swamp.

## **Build a Catapult**

Your team must construct a catapult by following the instructions and materials provided. Once the catapult has been built you will need to test out your catapult and launch some projectiles. The team who have the manage to launch the projectiles the furthest will be declared the winner and will receive a crystal.

## **Sifting Through Sands**

Your team will need to sue a metal detector to find items in the sand box. Solve the riddles you find in order to find the crystal.

## **Guess the Objects in the Box**

You will pick a member from your team to guess items in 5 boxes. They cannot see the items, they can only feel the item through the hole in the box. The rest of your team, can see the items and must describe each item without referring to it by name.

# FAQ's

## **How do I book?**

You can book immediately by calling 020 3589 6019. Our advisors will be delighted to hear from you.

## **Can you provide someone to run the day?**

For any event, we will always have a member of staff to monitor the day.

## **How much does it cost?**

Our prices are flexible depending on the amount of people who have booked onto the event. Please give us a call for a quotation. If you find someone cheaper we will match it.

## **When are your events available?**

You can book your Crystal Maze Challenge event at any time during the day, any day of the week.

## **What is the minimum amount of people that need to book for this event?**

We do request a minimum of 20 people.
