LET THE BATTLE COMMENCE
Since our launch in March 2015, DreamTeamBuilding has gone from strength to strength and is rapidly becoming one of the best team building companies.

Our sister company HireAPitch held over 500 events, from sports days to corporate events in 2016. In 2017 alone they held over 700 events.

We believe in providing a top quality service to all our customers at affordable rates. We aim to offer a variety of events suitable for everyone, guaranteed to leave a smile on your face and memories you won’t forget!
Your day will begin by being split into equal teams. Once you are split into teams you will each get a chance to battle against your colleagues and friends in the amazing event.

Everyone will spend the day fighting like Sumos, taking each other down in Zorb balls, doing obstacles (don’t worry, we won’t make you wear the big suits) and taking part in gladiator duels.

The fun doesn’t have to end there, why not take a look into our inflatable half days too!
The aim of the games are simple, don’t get knocked over.

- Whilst sumo wrestling, you must push your opponent out of the ring to win. You will be surprised how difficult it is.

- Zorb balls are a little less strategic, you will need to knock as many people down as you can in a few minutes. Each person knocked over is a point.

- Gladiator duel, knock your opponent down off the stand. The person left standing is the winner.

- Points will be scored to the team for each win.
- The winning team will be the one who score the most points.
