THE AIM

The aim of the event is simple:

Solve the murder!

It's time to put on your thinking cap and use your little grey cells to find out who committed the dastardly deed.

THE DAY

Your event will start off with a briefing from our Event's Manager. They will go through the itinerary or the event and give you an idea about what the event is about.

Once the boring bit is over its time to get into the swing of things and start the fun with our corporate murder mystery event.

While you are mingling with the other guests, you will each receive information cards from our wonderful members of staff. These information cards may prove to be invaluable for proving your innocence and finding out who committed this dreadful deed.

Once you have all mingled, it will be time for dinner, where you will be served a luxury 3 course meal.

After the meal that's when the action finally begins with the murder of the host!

An Inspector from Scotland Yard will be called and will interview you and the other suspects. Everyone is a suspect. With a murder amongst you, you must sift through the evidence to prove your innocence and find out who performed the dastardly deed before they strike again.

Near the end of the event everyone will vote on who they believe the murderer is. Once everyone has voted, the Inspector will reveal the evil fiend who committed this crime and they will be arrested.

Prizes will be awarded to those who guessed correctly.
